*Fuel efficiency as certified by the test agency under rule 115(G) of CMVR. The black glass in the vehicle is due to lighting effect. ^Spare tyre wheel material is steel & spare tyre is 215/60 R16 for ZXI/ZXi+ variant. Maruti Suzuki India Limited reserves the right to change without prior notice prices, colours, equipment specifications and also discontinue models. Images are for reference purpose only. Accessories and features shown in the pictures may not be part of standard equipment. Features shown may vary from variant to variant. Colours may vary from actual body colour due to printing on paper. All images in this brochure are creative visualisation. For illustration purposes only. *If the vehicle's speed exceeds 80 km/h, then the primary level warning will beep twice every minute. And, if the speed goes above 120 km/h, the secondary level warning will keep beeping. If the vehicle's speed slows down to 118 km/h, primary warning will resume. If the vehicle is slowed down to 78 km/h, speed alert warning will stop. This buzzer does not indicate any malfunction in the vehicle.
